Suite 401
Deerfield, IL 60015

Dear Roy:

I have received and reviewed the Preliminary Site Evaluation (PSE) Report, revised in accordance with Agency comments contained in a letter dated March 7, 2002 and discussions during our meeting at your offices on that same day.

The document revisions are acceptable and the report is approved with the following comment: Please include on the timeline in Appendix D the dates when TL Diamond acquired the site and any significant milestones during their site ownership.

Please provide three clean copies of the report to my attention. You may wish to ask IEPA how many copies they desire. If you have any questions regarding this letter, please contact me.

Sincerely yours,

Dion Novak
Remedial Project Manager
